

A new fast, direct bus service from Nerang station to Surfers Paradise!

From **Monday 7 November**, a new route known as the **740** (Nerang station to Surfers Paradise) will be introduced to the Gold Coast.

Route 740 will operate every 30 minutes, seven days a week, from 7am to 7pm, between Nerang station and Surfers Paradise.

Following the introduction of route 740, there will be more than three times the number of services along the corridor each day – providing a number of additional dedicated bus/train connections.

It also means that passengers will have the choice of four bus travel options (routes 21, 709, 740 and 745) between Surfers Paradise and local train stations.
