# *Why Drive for Surfside Buslines?*

Surfside Buslines is owned by Transit Australia Group and operates on Queensland's beautiful Gold and Tweed Coasts'. Surfside delivers one of the few 24 hour bus operations in Queensland.

As a Surfside bus driver you will enjoy the lifestyle benefits of living and working in one of Australia's premier tourist destinations, as well as flexible working hours, and a variety of service types such as route; school; tourist, and charter.

Surfside bus drivers are highly respected and motivated professionals dedicated to delivering quality public transport. Our team of drivers are the backbone and face of our organisation and because of this, we look after them.

Surfside drivers are trained to achieve high standards in all parts of their work including safe driving practices and great customer service.

Following the successful completion of Surfside's Company Induction, Drivers are encouraged and supported in obtaining a *Certificate 3 in Driving Operations (Bus)*. This is achieved through classroom-based sessions at Induction, as well as on-the-job training, supported by our experienced Training Department and our external training provider. This Certificate III is tailored to our business and the role of a Driver. This is a nationally recognised certification training, and means both our Drivers and the Company can focus on quality outcomes, in a supportive learning environment.
